Stag Enterprise serves the aerospace, government and defense, energy and utilities, facilities, automotive and food and beverage industries.

FULL-SERVICE STOCKING DISTRIBUTOR

Finding and ordering the supplies you need shouldn't be hard. Stag Enterprise promises to provide a better, more personal buying experience for procurement professionals everywhere.

STAG CUSTOMERS CAN EXPECT:

- AOG-level responsiveness
- No hidden or factored-in costs
- Two convenient U.S. locations
- Express and priority shipping worldwide
- Products stocked to meet specific customer needs
- Converting, repackaging, custom packaging, and kitting
- Deep understanding of MIL-FED-CID and aerospace specs

While we specialize in adhesive and tapes, our customers know us as a single source for any product or part they need, including hard-to-locate items. All you have to do is ask.

A better buying experience, from a partner you can count on, is just a phone call away.
